Summary

Software Developer with a keen interest in web development and hands-on experience building responsive, real-time, and scalable web applications. Proficient in designing RESTful APIs, implementing secure authentication, and integrating third-party APIs.

Education

VIT Bhopal University *2022 – Ongoing*
B.Tech in Computer Science *CGPA: 8.81/10.00*

- **Relevant Coursework:** Data Structures & Algorithms, OOP, Operating Systems, DBMS

Kendriya Vidyalaya Air Force Station Memaura, Lucknow *2019 - 2021*
Senior Secondary Education (12th) *91.6%*
Higher Secondary Education (10th) *92.6%*

Work Experience

Full Stack Developer Intern *Noida, UP(Remote)*
Zyntriq AI Pvt. Ltd. *March 2025 – June 2025*

- Worked with a small team to build responsive and user-friendly interfaces. Converted design mockups into clean and functional web pages.
- Improved application performance by organizing code and using reusable components.

Projects

ZestyBite - Food Ordering Application *Repository*
*A Food Ordering Platform using **MongoDB, Express.js, React.js, Node.js***

- Engineered a cross-platform full-stack application using React.js and Node.js, Implemented secure user authentication using JWT.
- Spearheaded the design and development of RESTful APIs using Node.js and Express and MongoDB schema services provided.

PeerPrep – Collaborative Code Editor *Repository*
*A collaborative web app using **HTML, CSS, JavaScript, React-JS, Socket.io, WebRTC***

- Built real-time collaborative code editor using Socket.io, and WebRTC with multi-user editing, peer-to-peer audio communication, and supporting code execution in 7+ languages.
- Automated creation of practice problem statements by leveraging the Gemini API.

PawVaidya – Veterinary Consultancy Platform (Group Project) *Repository*
*A veterinary consultancy platform using **MongoDB, Express.js, React.js, Node.js***

- Led a 10-member development team working as a frontend developer and created responsive UI components using React and Tailwind CSS.
- Contributed to 3+ Figma design iterations achieving 95% pixel-perfect implementation accuracy.

Skills

Programming Languages: Java, JavaScript
Web Development: HTML, CSS, Express.js, React.js, Node.js, Socket.io, WebRTC
Tools & Platforms: Git, GitHub
Databases: MySQL, MongoDB

Certifications

Oracle Java Foundation Associate *Issued: April 2025*

Additional Information

Hobbies: Reading Books, Games
Languages: English (Fluent), Hindi (Native).
